REVIEWS

Five stars aren't enough stars to give this experience!!!! We did a corporate tour with over 50 of our staff, and we had the most fun time together!! The planning with Lyle and Alex was seamless and so organized. The stops were ready for us and totally prepared. The captain of my bike (Ben) was so much fun and kept the vibes going the entire time!! We had a great time and the team is already talking about doing it again. Highly recommend and thanks Pedal Pub for an amazing day!!

Each stop was well organized, and we all felt very safe throughout the ride. I loved that there was a dedicated spot for us at each pitstop so I didn't have to worry about making reservations. Lyle made sure to connect us to the right people at each pit stop to ensure we got the right food/drinks. Each pilot did an amazing job pushing everyone to pedal together while playing the best playlist to get the riders hyped up. We had people hesitant at first, but by the end of the event, they were asking when we could have pedal pub bikes again! We have not had a social in a while that felt like the pre-COVID days and Pedal Pub helped get us there. It was an amazing event focused on teamwork and getting people out of their comfort zone. 10/10 would recommend.

A perfect corporate team-building outing. The locations were fun and varied, the music was blasting, and we got all the smiles, waves, and high fives as we rode across downtown. 10/10 experience and will do again!

Ahhhh this was SO fun. I organized this for a company event and everyone truly had a blast. All night long people came up to me to say how much fun they were having –this was truly a hit. Julian and Jaime were our Beerless Leaders and they both made our rides super exciting and played all the good songs! I think we all wished the tour was longer honestly! :) All the kudos to Alex and Lyle who also made it super easy to coordinate and organize. Thank you for a super fun night!

We booked Pedal Pub for a work team building event and it did not disappoint! The organizers were helpful and professional, and the actual event was SO FUN! They also included an option to turn one stop into an ice cream stop, so more options for everyone! Would highly recommend for personal or work events. I will definitely be going again!
